

Empowering Talented Cricketers

Comprehensive Training & Selection
Players receive training, equipment, and go through a structured selection process to ensure the best progress.

Nutrition Counseling
Expert-guided personalized diet plans and education to players and families on balanced nutrition, integrates programs into training to enhance performance and overall fitness.

Support for Needy Players
Financial aid and resources are provided to underprivileged players, helping them pursue their passion.

Talent Identification

Organize tournaments to discover & nurture cricketers, particularly from rural areas, giving them a platform to showcase their skills.

Promoting Inclusivity

Focus on women's sports by organizing major tournaments, such as a Women's World Cup, to celebrate their talent.

Career and Recognition

Players earn through auctions and gain recognition, opening international career opportunities

Unique Process To Source And Showcase Talent

Player Registration

Individuals or teams register with TSPL through regional or team-based enrollment

Selection by Committee

Identifies talented individuals based on their performance, ensuring fair evaluation

Franchise Player Selection

Franchises bid for players during the auction, forming teams of 16 players each.

Prizes and Rewards

Winning teams and franchise owners receive prizes, celebrating talent and team success.

TSPL Gateway Knockout Matches

Registered players participate in knockout matches to showcase their skills.

TSPL-T10 Tournament

The 8 selected teams compete in the TSPL-T10 tournament

Auction Registration

Selected players register with TSPL for a nominal fee and become eligible for the franchise auction.
